

# LATCH TYPE PULL ACTION CLAMPS

Our latch type pull action clamp has an improved adjustable stopper which eliminates finger crimping and sets for handle travel. An embossed handle is included. The latch plate is to be ordered separately.

Holding capacity: 375 lbs. Maximum on APA150  
1200 lbs. Maximum on APA170

Drawing Movement: 4.00 on APA150  
3.33 on APA170
